STORED GRAIN PROTECTANT				-	
SECTION 1 – PRODU					
Product Identifier:		Protect-It [®]	USEPA R	eg. No. 66923-2	
Intended Use:		Insecticide for use in stored g	grain and structures		
Manufacti	urer Details:	Hedley Technologies (USA)			
		53 McCullough Drive, New Castle, DE 19720-2080			
Emergency Telephone Number:		1-888-476-4473			
SECTION 2 – HAZAR					
Classification of the	substance or	mixture:			
Health ha Specific t		xicity following repeated expos	sure, category 2		
STOT RE 2					
Signal word:	Warr	nina			
Hazard statements:		cause damage to organs throu	ugh prolonged or repeat	ted exposure	
Precautionary statem	-	ot breathe dust/fume/gas/mist/			
NFPA	O O SCALE (0-4)			0 0 X 4)	
SECTION 3 - COMPO	OSITION / INF	ORMATION ON INGREDIENTS	-		
	Name		Product Identifier	% (by weight)	
Common Name: Natural Diatomace Chemical Name: amorphous silicon			CAS 61790-53-2	90	
Common Name: silica gel Chemical Name: silicon dioxide			CAS 112926-00-8	10	
SECTION 4 – FIRST					
After inhalation:		ove person to fresh air. If perso		911 or an	
After skin contact:	ambulance, then give artificial respiration, if possible. Rinse/flush exposed skin gently using soap and water for 15-20 minutes. Seek medical advice if discomfort or irritation persists.				
After eye contact:	If eye irritation occurs, hold eye open and rinse gently with water for 15-20 minutes. Remove contact lenses after the first 5 minutes, if present, then continue rinsing eye. Seek medical attention if irritation persists or if concerned.				
After swallowing:	Rinse mouth thoroughly. Do not induce vomiting. Drink sips of water. Seek medical attention if irritation, discomfort or vomiting persists.				
	otoms and eff	ects, both acute and delayed	d: Irritation		
Indication of any imm	otoms and eff nediate medie		d: Irritation atment needed:	cally.
